President, CIBJO
Coral Commission

Rui Galopim de Carvalho
Portugal Gemas
Vice President, CIBJO Coral
Commission

The JVA is delighted to be able to offer its members a unique opportunity to take part in an educational field trip to Torre del Greco, the historic home of precious coral.

Over the four days there will be a combination of theory and practical workshops tutored by renowned experts Enzo Liverino & Rui Galopim de Carvalho.

Experience how coral is polished at the factory, and dive into an incredible world of wonder in Enzo's private coral museum Liverino 1894.

On the final morning we travel to Naples to visit more museums and have a traditional Napoli Street Restaurant lunch with our hosts .. a perfect end to our coralicious experience!

The cost of the field trip is **£650** which includes:
